Arizona School Counselors Association, Inc.

Goals

- ④ Provide opportunities for professional development and keep professional school counselors abreast of current school counseling best practices, data and research.
- ④ Provide relevant partnerships and strategies for school counselor advocacy that clarify and enhance the professional school counselors' role, skill level and professionalism.
- ④ Collaborate with state and National leaders to establish legislative policy that supports the framework for comprehensive school counseling programs and school counselors' contributing role in student advocacy and academic achievement.
- ④ Proliferate research in the area of school counseling by fostering partnerships with university professors, national counseling research centers and practicing school counselors to show evidence-based practices in the counseling profession.

AzSCA Mission

The Mission of AzSCA is to foster professionalism by leading, advocating, and collaborating for Arizona school counselors and the students they serve.
