## Policy

The Past Chair administers the election process. Elections will be held once each year, and open during the annual membership meeting. Eligible candidates will be presented to the general membership at the annual conference for voting.

## Procedure

- At the start of the election season, the Past Chair presents the election packet template to the Board of Directors for approval and explains plans for execution.
- In conjunction with the marketing and communications contractor (ex: Director of Marketing and Communications), the Past Chair loads all elements of the election packet onto the AZSCA website and sends an announcement to the general membership. The announcement will include directions on where to source the election packet, give a deadline for submission, and identify the number of open seats.
- If another seat opens prior to the deadline for submission, the Past Chair will send additional communications to the general membership, advertising the additional open seat. If the seat opens after the deadline to submit the election packet, then filling this seat falls under the procedures Board Vacancies in Bylaws, which means the seat will be filled by Board appointment.
- The Past Chair compiles the election slate by gathering required election packet documents from each candidate.
- Past Chair ensures that the submitted election packet is complete, election packet requirements are met, and certifies each candidate is eligible to run for office.
- An election packet is considered complete when all elements of the packet are signed and submitted before the deadline.
- The Past Chair presents the election slate of eligible candidates to the Board of Directors.
- The Board of Directors gives final approval of eligibility by majority consensus during a Board of Directors meeting.
- The Past Chair works with the marketing and communications contractor to load the slate onto a digital election platform, ensuring that all election elements are accessible to the electorate.
- The Past Chair organizes the presentation of candidates to the general membership during the annual conference. This can be live or via digital on-demand software.
- General membership votes for the number of open seats advertised. For example, if AzSCA advertises 2 open seats, then the two candidates with the most votes win those seats.
- If there are more open seats than the number of candidates running, an election is still required to fill the vacancies. The seat/s that remains open will be filled according to Board appointment procedures.
- At the close of election, the Past Chair initiates the issuance of an announcement (in conjunction with the marketing and communications contractor) to Board of Directors, Executive Director, Board at Large, and general membership to identify the winners.

# Acknowledgments

Each year, the President/Chair of AzSCA, Inc. has provided valuable expertise and has contributed to the workflow of the association. Each of the contributions has helped clarify processes, but it became apparent that many policies overlapped.

As associations grow, more specific guidelines must be outlined in order for governing board members and regular members to understand the operations of the association. The Policies and Procedures Handbook was originally written in 1995-96, and revised annually from 2004-2017 by the Executive Committee/Board of Directors. It will serve as a guide for the operations of the association. Each member of the committee has served in many capacities on the AzSCA, Inc. Governing Board. Each year, this handbook will be reviewed to acknowledge that it is in harmony with the AzSCA, Inc.

Bylaws and that the policies and procedures are being followed. Thank you to Carol Turner from the Alabama School Counselor Association for providing the original content, and a special thanks to all of the AzSCA, Inc. presidents/chairs and to the committee members for their time, energy, and contributions.
